About DNOR

THE DNOR TEAM · PROMAX AUTOMATIONS HQ, PUCHONG

DNOR designs and manufactures smart autogate motor systems — with over 300,000 units sold across Malaysia, Indonesia and India.

Founded in 2009 as Promax Automations, we launched our first motor — the Model 712 — in 2010 and formed our own manufacturing company, DNOR Automation Sdn Bhd, in 2011. Today, DNOR systems are carried by a network of more than 500 dealers and distributors.

OUR VISION

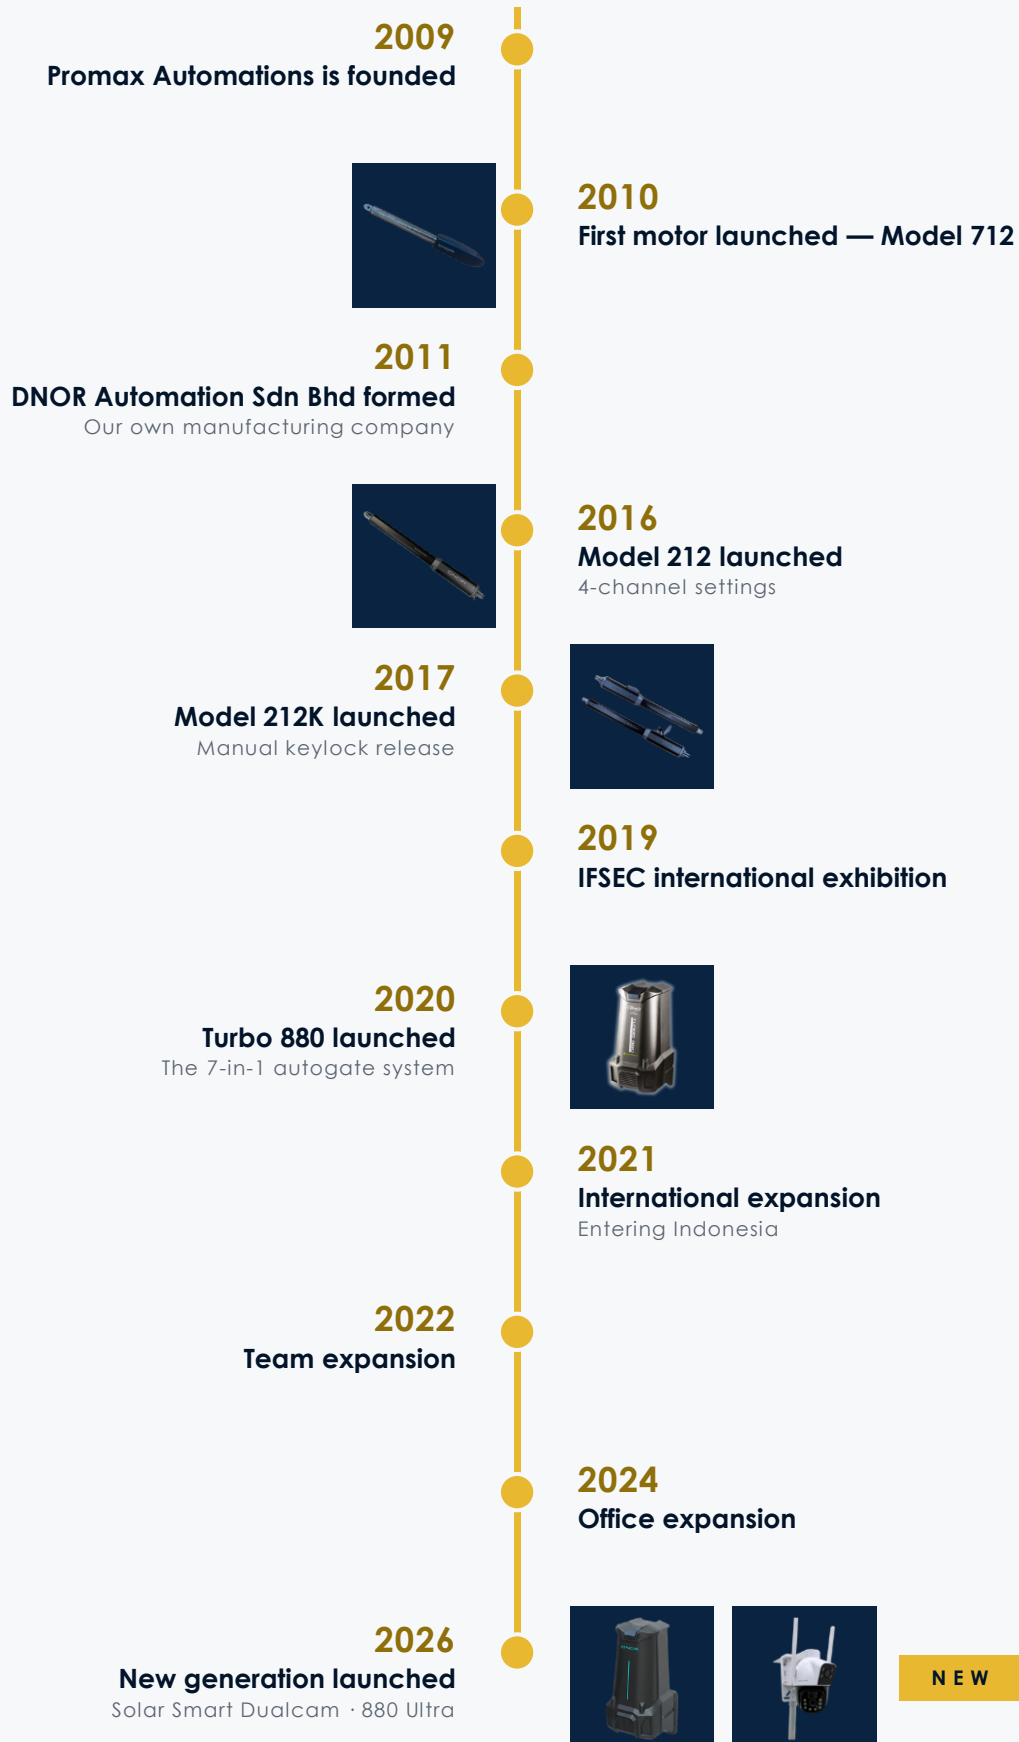

Continuous innovation and R&D — making smart autogate systems accessible to every household.

OUR MISSION

To become Southeast Asia's leading autogate system brand.

Growing Gate By Gate

From first motor to smart security brand — 2009 to 2026
